NOTICE

TO WHOM IT MAY CONCERN:

That in compliance with Section 1272 of Revised Statutes of Utah, I have this day filed for record with the County Recorder of Carbon County, my declaration to existing right to the use of the following described water: having used the same since 1893, to-wit:

All of the water of Beaver Creek and all of the surplus water of Gordon Creek.

I have diverted the water of said Beaver Creek at a point on said creek about  $\frac{3}{4}$  of a mile above where the road leading from Price to Scofield crosses said creek by means of a ditch four feet wide by one foot deep, with a fall of one inch and by said ditch conveyed said water to Gordon Creek and there mingle with the water of said Gordon Creek, and have diverted the waters together with the surplus water of said Gordon Creek at the mouth of Coal Canyon by means of a ditch four feet wide by one foot deep with a fall of two inches to the road; and the said ditch have conveyed said water to the Oax Spring Ranch where I have used the same for the purpose of irrigation for the last four years.

NOTICE OF APPROPRIATION OF WATER

Notice is hereby given that the undersigned hereby appropriates of the waters of Beaver Creek in Carbon County, Utah, two cubic feet per second, for the purpose of irrigating one hundred and twenty acres of land on the Oak Spring Bench of Gordon Creek in said Carbon County, said land being described as follows to-wit: The southwest Quarter of the Northeast Quarter of Section twenty-seven in Township 13 South of Range 8 East of the Salt Lake Meridian and the southwest quarter of the southwest quarter of section Twenty-six and the southeast quarter of the southeast quarter of section twenty-seven in Township 13 S. of Range 8 East of the Salt Lake Meridian.

The undersigned proposes to divert said water by means of the ditch known as the "Teancum Pratt Ditch" as started in the spring of the year 1892 and completed in the spring of the year 1900 and this appropriation is intended to cover the rights of said water acquired by said Teancum Pratt for the irrigation of said lands and it is the bona fide intention of the undersigned appropriator to complete said ditch and by means of the water flowing thereon to irrigate and reclaim the said lands.

The said ditch commences at a point on said Beaver Creek distant about three miles from the head thereof and about two miles above the point where Jump Creek flows into said Beaver Creek and follows alongside the mountain in Beaver Creek Canyon a distance of about 200 yards from the dam placed at the head of said ditch to a point on said mountainside directly opposite the head of the canyon known as the right hand fork of Gordon Creek, thence by means of a cut through the top of said mountain, said ditch is carried into the head of said right hand fork of Gordon Creek thence for a distance of about 250 yards in said canyon to the bed of said Gordon Creek thence down the said Gordon Creek in the channel thereof to a dam placed in said creek at a point one mile above said described land thence by means of a ditch leading from said last mentioned dam, a distance of about one mile to and upon said lands. The first mentioned ditch in Beaver Canyon is of a width of two and one-half feet and of a depth of one foot and has a fall of one inch to each rod up to the place where said ditch conveys said water into the bed of Gordon Creek; said Gordon Creek has a width of five feet, a depth of three feet and a fall of three inches to each rod and said ditch leading from said Gordon Creek to and upon said land has a width of two and one-half, a depth of one foot and a fall of three inches to each rod.
